

*Hello my lovely class, I hope you are all safe and well. We are really missing you in school, it's just not the same without you all.*

*I hope you are taking good care of each other and being kind to one another. Don't forget to help your grown-ups too!*

*It has been really lovely to speak to some of you and your families recently and I was thrilled to hear how many of you are doing the home learning and completing your own projects. I am so proud of you and all the hard work you are doing at home: I know how challenging it can be, especially when it's sunny! So a big well done guys, you are amazing.*

*I have been busy in school teaching year 6, but I really miss all of you. I am so pleased that I will get to spend a couple of weeks with you when you return in September, before you move on to year 6 yourselves.*

*I hope that you will have a good rest over the summer and enjoy some time with your family and friends. Please take good care of each other and I look forward to seeing all of you in September.*

*Bye for now.*

*Mrs Montgomery*
