Booking Clubs Through the SchoolMoney App

Once you have opened the App click into the 'Clubs', then please click into each week you'd like to book and make your selections for each day. Once you've made your selections, please click on the + icon to add that week to basket. You can then move to the next week.

Once you have finished selecting the weeks you require, the screen will look like below. You'll see the weeks listed, and the basket at the top right (circled in red) will show the number of weeks that you've added. Please click here to be taken to the basket.

The basket will confirm again which weeks you have selected.

In order to confirm and store your booking, you <u>must</u> press the "Pay" button – if your child is free meals or Universal meals, it will go straight through without asking for payment details
