## Maths focus - Fact families

This week we have focused on developing our understanding of number.

Today we will look to recap our understanding of adding and subtracting ones, using visual aids.

When we are adding ones, we are increasing the number and the number goes up a number line.  
When we are subtracting ones the original number decreases and we count down the number line.

# English - Lesson 4

## Exclamation Sentences

An exclamation mark is a punctuation mark that looks like a straight line with a dot underneath it !

It is used to show that an exclamation, an interjection or a statement has finished.

- An exclamation sentence might start with **What** or **How**
- E.g. How dare you!  
What a delicious bowl of porridge!

But not always. An exclamation marks can also show that a speaker is shouting.

- E.g. Our team just won the Premier League!

Can you fill in the missing verbs and nouns in the exclamation sentences that Little Red Riding Hood says to her grandma?  
Use the wolf's replies to help you.

Oh grandma, what big  
\_\_\_\_\_ you \_\_\_\_\_!

Oh grandma, what big  
\_\_\_\_\_ you \_\_\_\_\_!

Oh grandma, what a big  
\_\_\_\_\_ you \_\_\_\_\_!

Oh grandma, what big  
\_\_\_\_\_ you \_\_\_\_\_!

All the better to see  
you with my dear.

All the better to hear  
you with my dear.

All the better to smell  
you with my dear.

All the better to eat  
you with my dear!

# Answers

In two minutes, see how many compliments you can write to someone in your family.

For example:

have!
