A message from your teachers …

Hello Year 3,

Hope you are all well and smiling even in these strange times. Your teachers would just like you to know that they think about you often and are all looking forward to seeing you again as soon as we can.

We hope that you have been enjoying your time at home and you have managed to create some lovely memories. Maybe you have built a den, done some baking, had a family movie night, played a board game, made a rainbow picture or spent some time outside in your garden. If not then maybe you could find some time this week to do something just for fun.

I (Mrs Wellings) have really enjoyed spending time at home reading and cooking but I especially enjoyed when me and my children painted our rainbow pictures for our window. We'd love to hear or see what you have been up to. Maybe you could take some photographs to show us or write us a letter to tell us what you have been up to. We can share these when we come back together.

On the next few slides are some learning tasks for the rest of the week. You can do them in any order and the answers are on the next slides (so no cheating) for you to self mark. Remember to be as neat as you are in school and try your best.

Best wishes, Mrs Wellings, Mrs Faber and Mrs Musgrove.

Reading at home

You should be aiming to read for **_at least 20 minutes everyday_**.

Your parents have had a parentmail from Mrs Graham to say that you can now take Accelerated Reader quizzes from home by using this link [Howley Grange Renaissance at home](#) and logging on as usual using your username and password.

To check that the book you are reading has a quiz, you can check it using on [Accelerated Reader Bookfinder](#). It's okay to read books which haven't got a quiz – just keep a record of what you have read.

Keep reading and exploring new worlds and adventures!

Monday 20th April

Today is: TTRS, Spellings, Reading, Maths, English and Science

Finding Half ($\frac{1}{2}$)

To find half of a number of objects, you need to divide them by two.
Count the number of cakes.
There are 8 cakes.

Maths

Finding Half ($\frac{1}{2}$)

There are 8 cakes. Divide the cakes between the two children so that they have the same number each. The best way to do this is 'one for me, one for you'.

How many cakes does each child have?

Share the cakes between these ovals:

Maths

Finding Half ($\frac{1}{2}$)

How many cakes does each child have?

Each child has 4 cakes.

So half of 8 is 4.

$\frac{1}{2}$ of 8 = 4

Answer these:

1. $\frac{1}{2}$ of 12 is

2. $\frac{1}{2}$ of 30 is

3. $\frac{1}{2}$ of 18 is

4. $\frac{1}{2}$ of 36 is

Science

What do plants need to grow?

What a Plant Needs

- air
- light
- water
- nutrients
- warmth

Why Does it Need Them?

- If a seed is not **warm** enough, it will not germinate

- Germination is when the seed starts to sprout in to a plant

- If a plant does not have enough **light**, it will grow to be tall and flimsy as it searches for light. It will probably die.

- If a plant is not **watered** enough, its stem will be fragile and have very dry leaves. It will eventually die.

Science

Use the words below to finish the sentences.

light	**water**	**air**	**soil**

Many plants need _____ from the sun.

Many plants need _____ or they will dry out.
Many plants need _____ to grow their roots in.
