		Section B: De	claratio	n				
I confirm my child has a food allergy, intolerance or other dietary-related medical condition that needs addressing. The information in this form isn't about my child's food preferences. I agree to information about my child's allergy and any related doctor's or registered dietician's medical assessment being provided to the school's catering partner Sodexo (including any other relevant personal data, like photographs, if I've agreed with the school), solely so they can provide suitable meals for my child.

Section C: Allergy details Does your child have food allergy? If YES, fill in this section. If NO go to Section D.								
Please include as much information as possible about your child's food allergy in the space below. For example: Can they tolerate products that say 'may contain traces'? What types of nuts are they allergic to – or should they avoid all nuts? Should they avoid all forms of the allergen - or can they tolerate some forms, for example raw, baked or cooked? If possible, please provide a copy of any relevant medical assessment or confirmation. Sodexo cannot guarantee the absence of any specific allergen. Our staff will be happy to talk to you about what we do in the kitchen to reduce the risks of allergen cross-contamination.
