

# Activities for home (Summer)

## Reception

**Achieve Believe Care**

Firstly well done for all the fantastic home learning you have done over the past term! We think you all deserve a fantastic summer and a well deserved rest however if there are any of you out there that want any activity ideas over the Summer, please take a look at the following slides which outline a number of stories- you may already have the book at home however if you don't there is signpost to a youtube version of the story. Each story will then have a corresponding PDF, created by the National Literacy Trust. They have come up with some lovely ideas for activities you can do linked to each story of the stories in this PPT. Do as much or as little as you wish...or if you want do none at all and have a wonderful Summer, its entirely up to you and your families.

Look forward to seeing you all again in September.

Miss Holden, Mrs Trimmer, Mrs Gill.
