# Years 1 & 2 SPORTS CLUBS

Dear Parents,

We are pleased to announce the start of YOUR SPORT'S, Sports Clubs at Howley Grange. The club will run throughout the year, giving your child the chance to participate in organised sporting activities.

Each week the coaching focus will relate to a different sport, designed to nurture and improve each child's technical ability. The sessions will end in small-sided games where the kids can put their skills to the test!

As qualified coaches we will provide a high level of coaching, however the main emphasis in these sessions is on FUN!

For more information regarding our wide range of sporting activities please feel free to email us at [your.sport@yahoo.co.uk](mailto:your.sport@yahoo.co.uk)
