

Happy Wednesday Year One! 😊

As always, it is not necessary to print out all of these slides so please read them through carefully so you can decide exactly which are needed as a paper copy.

Thank you.

Session 3

OMS: Play ICT GAMES Doubles archery Level 1

<http://www.ictgames.com/mobilePage/archeryDoubles/index.html>

Let's remind ourselves
what to do!

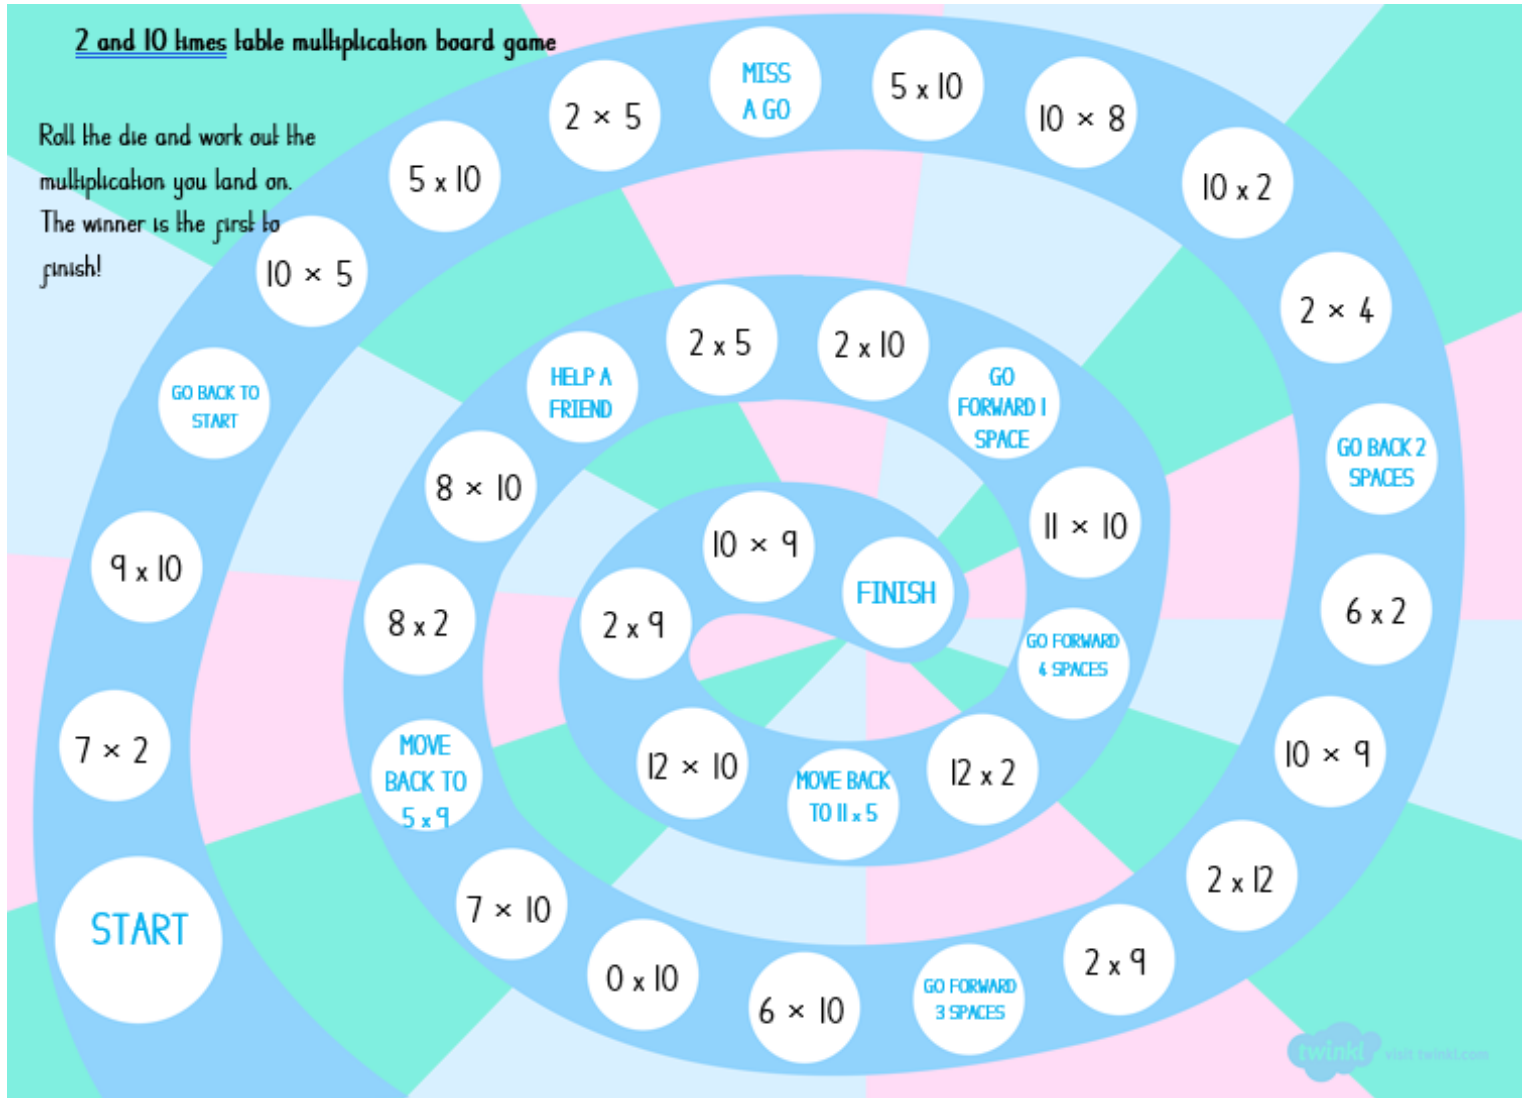

$$10 \times 4 = \underline{\quad}$$

$$5 \times 7 = \underline{\quad}$$

Time to use our multiplication skills to play a times tables game against someone in your home.

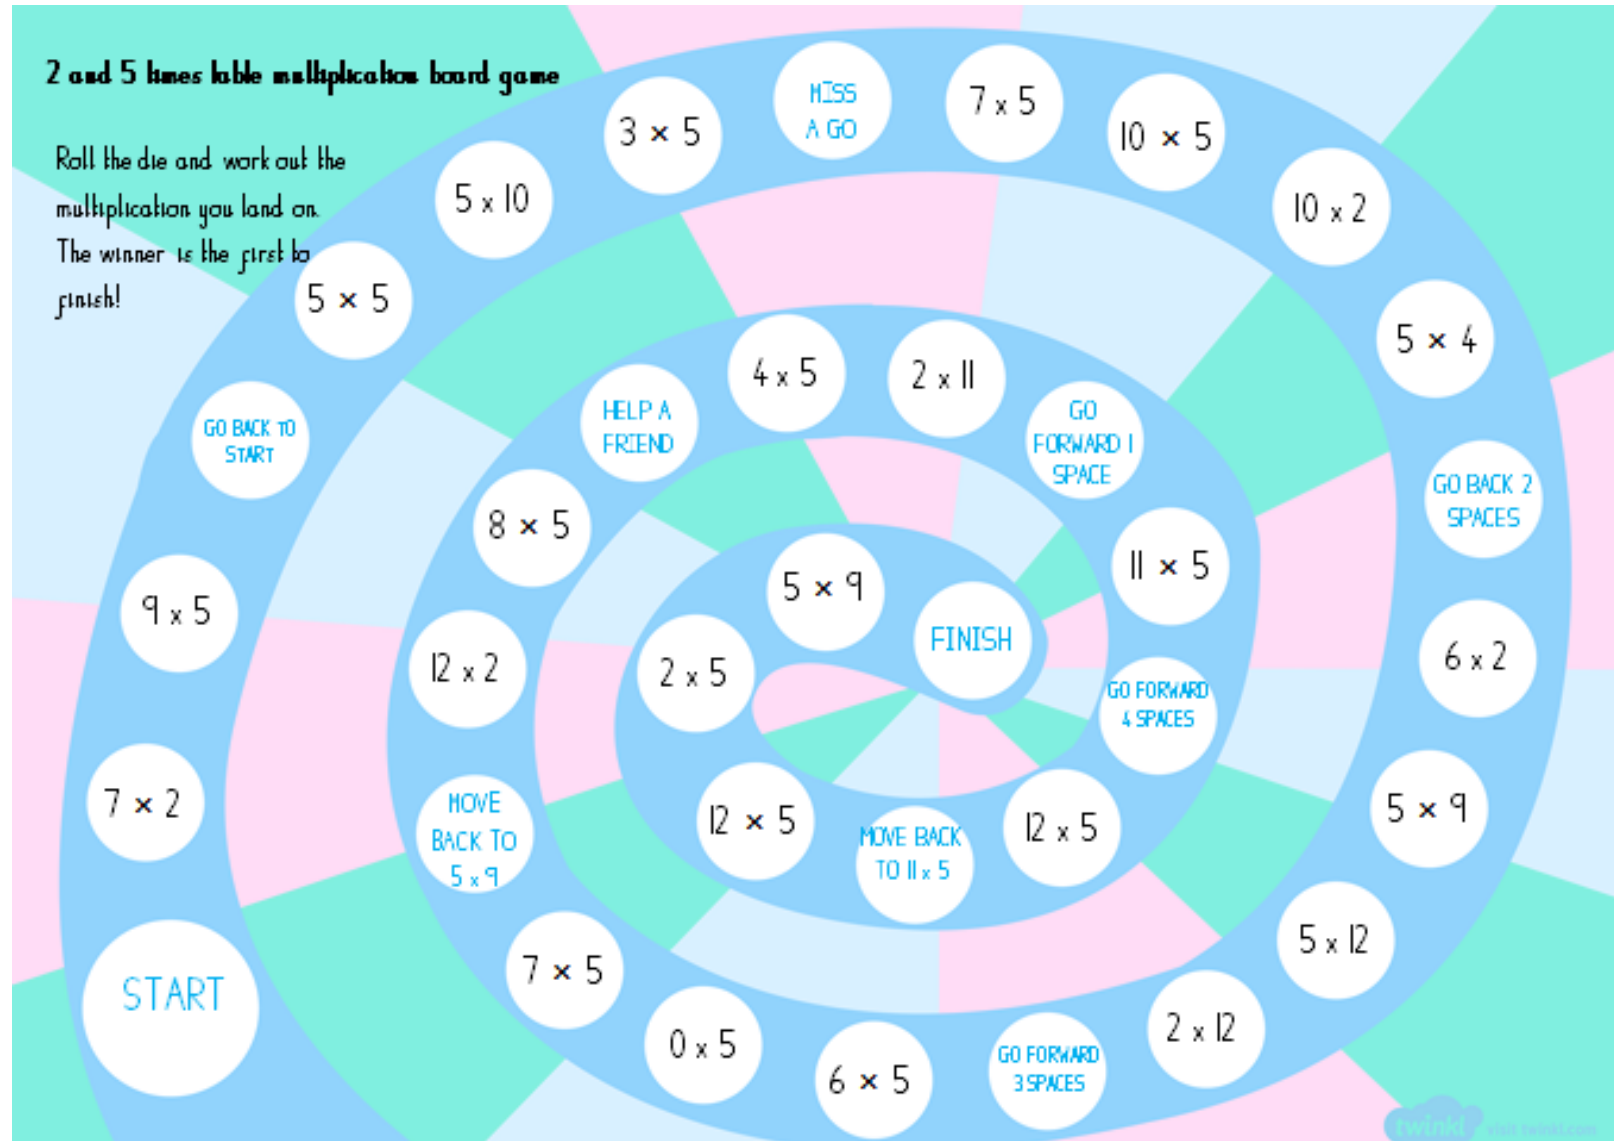

Time to use our multiplication skills to play a times tables game against someone in your home.

2 and 5 times table multiplication board game

Roll the die and work out the multiplication you land on.
The winner is the first to finish!

Time to use our multiplication skills to play a times tables game against someone in your home.

2, 5 and 10 times table multiplication board game

Roll the die and work out the multiplication you land on.
The winner is the first to finish!
